As we do not guarantee them past this exam if found good during exam, (as we've seen too many dogs jump, run, twist, and injure there knees and then try blame genetics). Also neutering too young causes growth plate issues impairing the knees. If This Dog fails the examination, Buyer may return This Dog (at buyers' expense) with a written statement from the veterinarian, for a full refund or exchange of equal puppy if available. Failure to have the dog examined within 2 TWO business days will nullify this warranty.
